

# Colouring Fabric with Derwent Inktense Pencils

Derwent Inktense Pencils, Cretacolor Aquastic Water soluble crayons and Sakura Gelly Roll pens were used, in conjunction with Jo Sonja Textile medium, to colour this quilt.

Brush on the medium, covering small areas at a time, and then colour over the medium with the pencils, crayons or pens. To add glitz to your project brush on Jo Sonja Opal Dust mixed with textile medium.

When dry, cover with a cloth and iron to fix.

Artwork exclusively designed Kim Bradley.
