

# Stencilling with Marabu Textil Plus Markers

Suitable for many light-coloured and dark textiles with up to 20% synthetic fibre content.

1. Spray stencil with Marabu Adhesive Spray and place onto fabric.
2. Place cardboard behind material to eliminate transfer.
3. Shake marker and pump to start ink flow.
4. Simply colour in the fabric using light pressure.
5. Once dry, iron without steam for 3 minutes.
