

Stencilling with Marabub Fashion Sprays

Suitable for all light-coloured fabrics with up to 20% synthetic fibre content.

1. Spray stencil with Marabub Adhesive Spray and place onto fabric.
2. Shake bottle before use and test on a piece of scrap fabric.
3. Simply spray colour through the stencil.
4. Carefully remove stencil and lay flat to dry.
5. Once dry, iron without steam for 3 minutes.
