

Rolled Felted Cobweb Scarf

Products required: Wool tops
1.5m length of bubble wrap approx. 60cms wide
2 x 1.5m lengths of tulle or gauze approx.. 60cms wide
Squirt bottle of warm water with liquid detergent
Towel
60cm length of a pool noodle

Procedure:

Lay bubble wrap on table and place one piece of tulle on top of wrap.
Place the wool in the centre and gently pull out the fibre to the required width.
Be careful not to pull holes in the wool.
Cover with second piece of tulle.
Squirt warm soapy water over wool and gently massage in a circular motion.
Roll the wool with the bubble wrap and tulle around the noodle and place elastic bands on both ends to secure the package.
Place a bath towel on the table and roll the package 50 times starting at fingertips and rolling up to elbows.
Undo bands and unroll the noodle package.
Slide out the bubble wrap and place on top of tulle and roll up placing elastic bands on ends.
Roll again 50 times.
Unroll and carefully peel off the tulle. Pull up pieces of the wool to ensure it has felted together.
To create tassels cut ends with scissors and rub or twist between hands to create dreadlocks.
Scrunch up scarf into a ball and throw down onto a table 20 times.
Rinse and lay out to dry.
